

Get 24/7 access with an online account

Your online account helps make it easy for you to:

- Find a provider near you. You can search by the type of care you need, provider specialty or name.
- View your plan benefit summary, plan documents and resources.
- Easily view and search new and past claims. Access your spending and cost summary.
- Access your UnitedHealthcare UCard® anytime, anywhere.
- Explore resources designed to help improve your overall health and wellness.
- And more

Create your online account in 3 easy steps

1

Have your UCard or Medicare number and email address ready

2

Visit [medicare.uhc.com](https://www.medicare.uhc.com) and click **Register Now**

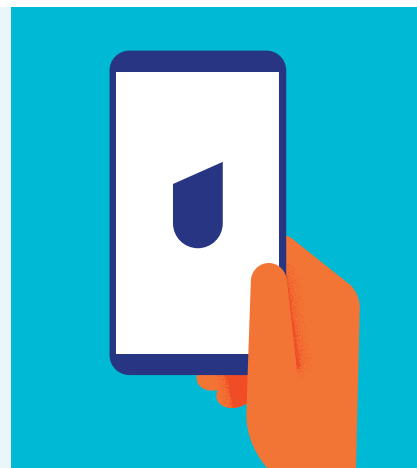

3

Finish the **HealthSafe ID®** registration steps

Download the app

With the UnitedHealthcare® app, you can easily access your plan information anywhere you go 24/7.

Download the app in the Apple® App Store® or Google Play, or scan the QR code with your mobile device.

Quickly access your plan on-the-go
